PLEASE ANSWER THE FOLLOWING QUESTIONS:

1. What is your reason for seeking an interim Board appointment?

The School District is at a critical juncture at this point in time with losing the Superintendent midyear and the cut in the Borough's discretionary contribution. I hope to help contribute to the long-term solutions that provide stability for our School District during these uncertain times.

2. What do you hope to accomplish as an interim Board member?

My major goals as an interim Board Member would be: the hiring of a permanent Superintendent after a thorough and transparent hiring process. Help craft creative budget solutions to restore the Borough's discretionary contribution level and identify other sources of sustainable, long-term revenue for the School District. See the adoption of policy regarding the process for selecting Interim Superintendents. Support efforts to identify and secure resources to be used to make up for any "lost learning" by our students due to the pandemic.

3. What previous experience have you had serving on Boards?

*Co-President, United Youth Courts of Alaska; 2013-2014
Member, Ketchikan School Board; 2013-2018
President, Ketchikan School Board; 2016-2018
Member, Alaska Juvenile Justice Advisory Committee (appointed by Gov. Walker); 2015-2018
Director, Association of Alaska School Boards; 2017-2018*

4. What do you consider to be the greatest personal asset you would bring to the Board as an interim member?

Experience serving on the School Board previously during times of consequential decision-making. I will be the first to tell you I made mistakes, and have gained a unique perspective of how impactful the decisions of the School Board can be: good, bad, or otherwise. It is the responsibility of the Board to be impartial, open-minded, and indisputably transparent. I hope to bring that perspective of "lessons learned" to the Board during these unprecedented times to help ensure that each diverse point of view is applied to the Board's decision-making process.

5. What are the biggest issues you see the District facing?

1. Budget cuts and stagnant current sources of revenue for the District.
2. Selecting a new, permanent Superintendent.
3. The post-pandemic "recovery" for the School District.
4. Establishing and maintaining more permanent COVID mitigation protocols.

6. What suggestion do you have to improve our School District?

I have numerous ideas, suggestions, and potential solutions that I would be glad to discuss in an interview with the Board. I don't think there is enough room in this application to do them justice.
