*The COVID case information on this page is based upon self-reported positive cases from parents and staff, as well as those reported by district staff administering COVID tests to students or other staff. For community total cases, daily hospitalizations and bed capacity, vaccine allocation, and administration rates, etc., please visit the Alaska COVID-19 Information Hub.*

All individuals experiencing COVID-19 symptoms should be tested for COVID-19. Individuals should only return to work/school after receiving a negative test result, OR after completing isolation if they have tested positive. Questions? Call the district nurse: 907-228-8966.
