

COVID-19

School Risk Level

UPDATED FEBRUARY 4, 2022

THIS SCHOOL IS OPERATING AT "SUBSTANTIAL" RISK LEVEL

SUBSTANTIAL RISK

7-12 cases district-wide of
COVID-positive staff/students in
buildings during infectious periods

Learning Mode: In-person 100%

Masking - Beginning 1/3/22:

Strongly recommended for students and staff in
all areas

Screening: Within the classroom

Visitors: Invited, pre-approved,
educationally-based visitors only, screened
upon entering building, masks strongly
recommended

Activities*:

Indoor spectators must be masked;
Participant masking protocols

Facility Use by Outside Groups*:

Audience/spectator masking protocols;
Limitations on use of common areas;
User groups must submit mitigation plans

All individuals experiencing COVID-19 symptoms should be tested by a local healthcare provider, or at the drive-up testing in the Alaska Marine Highway parking lot. Individuals should only return to work/school after receiving a negative test result OR after completing quarantine if they have received a positive test result.
